

Presidents' Message

Dear Alpha Upsilon Sisters,

Happy New Year! We hope your holidays were everything and more! Here's to a fabulous 2019!

Thank you to the Mini-Grant committee, chaired by **Rose Gant**, for all their work at the close of 2018! This committee, albeit very rewarding, does a lot of work in a very short period of time. They send out and receive the applications around the first of November, then review them and award many teachers with a mini-grant before their holiday break. This also involves visiting many school locations and making public presentations, too. Thank you again; Beebe Nuetzman would be so proud of your commitment and dedication!

The DKG conference on February 2nd is quickly approaching. A HUGE thank you to **Pat Rabe** as its Chair and to those already signed up! PLEASE, if you are interested in attending, get your \$35 check to **Mary Jane** ASAP! Lisa See is the keynote speaker, and she's always inspirational and entertaining.

Our next meeting is on Thursday, January 17th at Marion Darling's home. We are honored to have Angela Sanchez, a children's author, speaking and sharing her work. Please note, we will have a brief Executive Board meeting following the regular meeting.

THAT

Happy New Year! It's a brand new year with lots of opportunities to volunteer your time, and help another teacher. This is a reminder

to please record your THAT hours (the time you spend helping another teacher) online by following this link:

<https://docs.google.com/forms/d/e/1FAIpQLSf4BD4SaHo50Oe1tgmZB3zX6d6Da4ETZdcP1zEA-Xkk491pQnw/viewform>

When you reach the THAT recording page, enter your name and volunteer information, as well as Area XIII and Alpha Upsilon. That's all! If you hear of a teacher or school that needs assistance, please let me know. It is important to our chapter that all of your volunteer THAT hours are counted. Find a method that works for you - - either record hours on an ongoing basis as soon as you provide a THAT service, or record your hours on a calendar or on your phone, and transfer them to the website at the end of the month. All THAT hours **must be recorded online by April 1, 2019.**

Have a great 2019, and thanks for everything you do to help others!

Karen Wilcoxon, THAT Liaison

DKG International Conference

The DKG International Conference (formerly the Southwest Regional) is coming to California for 2019! Each Region in the Society will host a themed conference. Members can attend any Region they wish rather than just their own Region. The theme for the one here in California is technology. Mark your calendars now for this exciting event, July 16-20, 2019. More information will be coming!

Jared Boxes

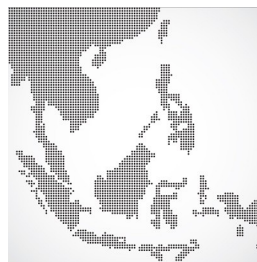

REMINDER!!

Bring filled Jared Boxes (BAGS!) to the January meeting. If you aren't coming to the meeting, try to send with someone who will be coming

World Fellowship Recipient

Shirley Sauvageau contacted former World Fellowship recipient Puspa to see if she and her family were safe after the recent tsunami that struck Indonesia. Puspa reported that all are safe and that she is now a professor of world economics at Sonoma State. You will remember her as one of our World Fellowship students graduating from Claremont Graduate School.
